Excellence and humility.....

I have been thinking about the relationship between excellence and humility as we have come through the election cycle and begun a new Executive Branch administration in our country. CAMP WHITMAN ADVISORY BOARD

The Camp Whitman Advisory Board has been looking at the camp's history, its successes and its impact on the lives who have attended the summer program. At our meeting last month, there was such great energy in the room and great enthusiasm about Camp Whitman. The group is positive and committed to the future of Camp Whitman. We are in the process of evaluating and looking to the future and the mission of the camp. Each member in attendance is taking what we were elected to do VERY seriously. Thank you to the Presbytery of Genesee Valley for your trust in our group and for your continued support of Camp Whitman!
