I. Principles

We believe that fundamentally, we cannot serve God and disrespect or endanger children or youth. We proclaim that God created all life and following God must lead us to protect the vulnerable among us, particularly children. We also want our Presbytery to be a place where children and youth are able to grow in their faith and thrive, and parents are supported with safe, high-quality childcare at our Presbytery's events.

We also believe that many churches are already setting high standards of quality programming for children and youth, from nursery care to teenage mission trips. This policy seeks to make explicit standards of care which are already present and ensure that these standards are maintained at all Presbytery events with children. This policy also requires that any concerns of maltreatment will be treated seriously and given the consideration they deserve.

We hope that this policy will help parents, pastors, and youth leaders from our churches be more comfortable participating in Presbytery events, and encourage individual churches to provide the same high standard of safety in their own ministry context.

II. Purpose

This policy is intended to:

1. Make clear the safe and appropriate practices for adults leading activities with children and youth on behalf of the Presbytery.
2. Safeguard children participating in Presbytery of Genesee Valley sponsored or co-sponsored activities against any maltreatment.
3. Obtain justice in the event of any maltreatment.
4. Explain clearly to parents, guardians, and church leaders the steps taken for children's safety during Presbytery sponsored or co-sponsored events.
5. Reinforce the bonds of fiduciary trust between Presbytery leaders and the children they care for and educate.
6. Comply with the *Book of Order* provision G-3.0106 which mandates each council adopt and implement a child and youth safety policy, and with G-4.0302 regarding Presbyterian Church (U.S.A.)-mandated reporting of abuse.
7. Exercise wise and prudent risk management and fulfill our fiduciary responsibility as stewards of the Presbytery as a not-for-profit corporation under New York State law.

IV. Scope

- A. This policy applies only to events, activities, or programs involving children which are sponsored or co-sponsored by the Presbytery. This includes, but is not limited to, the Presbytery's Triennium delegation, childcare at Church Leadership Development Day and Presbytery meetings, and Mission Day.
- B. This policy applies to: people who plan, organize, or lead any Presbytery-sponsored or co-sponsored event involving children; Supervisors and Child Care Providers at the events; parents whose children attend the event; staff of the Presbytery (employees or volunteers); and members of the Presbytery.
- C. In the case of activities, events, or programs involving children which are Presbytery co-sponsored, the Presbytery (or its applicable officer, staff member committee or board) shall advise the other organization or group of this policy, and that the Presbytery will require, as a condition of its co-sponsorship, that this policy be observed, except to the extent that the other organization or group may have a similar policy which is more restrictive or which is designed to address the specific or unique circumstances of the location in which such activity, event or program is conducted.
- D. This policy shall be reviewed by the Council every three years, with any needed revisions recommended to Presbytery.

V. Practices

The following practices are measures to be applied to ensure child safety and eliminate opportunities for maltreatment of children and youth during Presbytery sponsored or co-sponsored events.

- 1. At no point shall an adult be alone with an unrelated child, including during transportation in a vehicle or using the bathroom. Ways to permit confidentiality and privacy without sacrificing safety are listed in V. Practices 6.
- 2. At least one Child Care Provider present must be 23 years of age or older.
- 3. There will be no more than five children to each Child Care Provider for children under 10 (Child Care Providers may include teens, as long as there is a five-year age difference). There may be eight children to each Child Care Provider for children between 10 and 18.

- 154 4. The Supervisor is responsible for informing parents and guardians of the room, area,
155 or location in which their children will be supervised.
- 156 5. All indoor activity rooms or areas must have doors with windows, dutch doors, or
157 doors must be left open. Window shades and/or doors are to be open whenever
158 possible. Anyone passing an activity room must be able to see into the room at all
159 times.
- 160 6. Confidential discussions with minors shall be conducted with open doors or a door
161 with a clear window, at times when other adults will be nearby and aware.
- 162 7. Supervisors and Child Care Providers are responsible for ensuring that proper safety
163 guidelines are followed during activities (helmets during a bike ride, gloves during
164 construction service project, etc).
- 165 8. If medication could or will be needed during a Presbytery sponsored or co-sponsored
166 event, parents must fill out the Medication Form (see Attachment C). Supervisors will
167 dispense medication as directed according to the Medication Form. Supervisors will
168 keep any medication provided by parents in a safe place inaccessible to other children
169 or youth.
- 170 9. For any Presbytery-sponsored or co-sponsored event which is overnight or conducted
171 outside of the Presbytery's physical boundaries (such as travel to and from
172 Triennium), the Supervisor is responsible for ensuring that a complete Medical
173 Information Form (Attachment D) has been received in advance for each participating
174 child.
- 175 10. Medical Information and Medication Forms (Attachments C and D) shall be accessible
176 to Supervisors and Child Care Providers during the event, and shall be destroyed
177 afterwards.
- 178 11. No children or youth will possess, or have access to, illegal drugs, alcohol, tobacco, or
179 weapons. In the event of non-compliance, the offending child may be sent home at
180 their family's expense.
- 181 12. There shall be no one-on-one online contact or text messaging between a Supervisor
182 or Child Care Provider and a minor. Public methods of communication are encouraged
183 such as including a parent, sibling, or other child on any message.
- 184 13. Technology will not be used to bully others or view or send explicit violent, sexual, or
185 obscene material, either by children, youth, Supervisors, or Child Care Providers. In
186 the event of non-compliance, the offending child may be sent home at their family's
187 expense.
- 188 14. Any act of maltreatment of a child or youth entrusted to our care, whether it is
189 committed by an adult or minor, is strictly prohibited.

- 190 15. A first aid kit must be accessible to Supervisors or Child Care Providers at all times.
- 191 16. No photographs of anyone under the age of 18 shall be published by the Presbytery
192 without written permission from parents.
- 193 17. Any act of corporal punishment as a means to discipline, correct, or control a child
194 entrusted to our care is strictly prohibited.
- 195 18. In the event of any overnight activity involving children or youth, adult Supervisors
196 who stay overnight must provide written documentation of a basic background check
197 conducted within the past three years by Praesidium, Inc. (praesidium.com) or an
198 organization recommended by the PC(USA).
- 199 19. If transportation during a Presbytery sponsored or co-sponsored program, event or
200 activity is provided, the Event Organizer shall take appropriate steps to ensure that
201 the vehicle operators are at least 20 years of age and have valid drivers' licenses, and
202 that the vehicles have valid registrations and insurance.
- 203 20. This policy shall be implemented as follows for all Presbytery-sponsored or co-
204 sponsored events involving children:
- 205 a. This policy and the supplemental "Child and Youth Safety Resources" document
206 shall be distributed by the Event Organizer to all people who plan and lead such
207 events, including Supervisors and Child Care Providers. Written acknowledgement
208 of receipt shall be required (see Attachment B, "Acknowledgement of Receipt").
209 Acknowledgement forms will be kept either digitally or in hard copy by the
210 Presbytery for three years after the event and then destroyed.
- 211 b. Event Organizers are responsible for distributing this policy, collecting signed
212 acknowledgements from Supervisors and Child Care Providers and making
213 available a hard copy of the policy on site.
- 214 c. Event Organizers are responsible for collecting Childcare Registration Forms for
215 Presbytery-Sponsored Childcare from parents (see Child and Youth Safety
216 Resources document) prior to Presbytery sponsored or co-sponsored events with
217 childcare. Event Organizers are responsible for making them available to Child
218 Care Providers during the event. These forms will be kept on file electronically at
219 the Presbytery office for three years and then destroyed. Parents are responsible
220 for ensuring that these forms stay up to date.
- 221 21. Before the Presbytery commits to co-sponsoring an event involving children with
222 another organization or group, the Event Organizer shall obtain a completed and
223 signed copy of "Co-Sponsor's Agreement to Observe PGV Child and Youth Safety
224 Policy" (Attachment E) as a condition of the Presbytery's co-sponsorship.
