Guidelines:

- All pulpit supply preachers are subject to the appropriate directives of the current *Book of Order*.
- It shall be understood by all parties to the pulpit supply list that the invitation to serve as a pulpit supply preacher is not a “back door” means of establishing a Temporary Supply relationship between a preacher and a congregation.
- It shall be the responsibility of the Session to make particular arrangements for preaching and to satisfy itself as to the “fit” between the preacher and the congregation.
- The Committee on Ministry strongly recommends that the Session provide a minimum \$125 honorarium to ordained clergy, elders, commissioned lay pastors, and seminary students, in addition to reimbursement for meal and travel expenses. Churches are urged to pay more than the minimum, as they are financially able.

The Committee on Ministry will review all names on Presbytery’s pulpit supply list annually.
